## Meeting Rules and Procedures

### Voting Rules

The Oregon Environmental Restoration Council has 13 members. Of these, 11 are voting members and 2 are non-voting advisory members. A majority of the voting members of the Council constitutes a quorum for the transaction of business. Once quorum is established, action items require affirmative votes of the simple majority.

### Executive Session and Meals

The Council may convene in a confidential executive session where, by law, only press members and OWEB staff may attend. Others will be asked to leave the room during these discussions, which usually deal with current or potential litigation. Before convening such a session, the presiding council member will make a public announcement and explain necessary procedures.

Council members may also gather for meals when convening for OERC meetings; however, Oregon's Public Meetings Law does not apply to these meals so long as communications do not convey deliberations or decisions that might reasonably come before the governing body. Please see [ORS 192.690\(m\)](#) and [OAR 199-050-0015\(3\)](#).
